

# WARRAGUL LATE BUSES

Late buses are booked to run during term on the days and routes listed below.

Students wishing to use the late bus should collect a PASS from STUDENT SERVICES by the **end of lunch** on the day they wish to travel. **Buses only travel if required on each day.**

The size of the bus is ordered according to the number of students using the service. Should less than four students require the late bus service on any day, a taxi service will replace the bus. Confirmation of this will be provided by Students Services before the end of the school day.
