

Little Lorikeets

PLAYGROUP

Thank you for expressing interest in Little Lorikeets Playgroup at St Paul's.

Little Lorikeets is led by qualified early childhood teachers, who facilitate a play based indoor-outdoor program within our beautiful purpose-built facilities.

The program includes activities such as music time, story time and craft, all designed to support children's growth at various stages of development. Children will explore early literacy and numeracy concepts, and be introduced to some of the specialist areas on offer at St Paul's.

Little Lorikeets Playgroup is a fabulous opportunity for families to network and for children to connect with their peers while developing new friendships in a fun and relaxing environment.

Dear Parents

From time to time we place promotional material on the St Paul's Facebook page and send media releases to the newspapers. It would be lovely to be able to include some photos of our Little Lorikeets, and it would also be wonderful to be able to display some of the images from our Little Lorikeets sessions around our learning area.

Could you please sign the form below if you are willing to have your child's photo taken and used either as part of a display or as promotional material, or both.

Thank you

Richelle Harris
