

St Paul's
ANGELICAN GRAMMAR SCHOOL

St Paul's is coming to Drouin!

We are thrilled to announce that St Paul's Anglican Grammar School is about to begin building a quality independent Kindergarten and Primary School on the doorstep of Drouin.

Ready to commence in 2025, our campus will be located on a beautiful elevated 36 acre site close to the freeway entrance on the Melbourne side of Drouin. The school's striking design will create a vibrant, contemporary learning environment and a welcoming place for the growing Drouin community. Designed to nestle into the north facing slope, our purpose-built classrooms will be supplemented by play spaces that will creatively access and blend with the natural landscape to encourage outdoor exploration. The large site will also provide an outstanding opportunity to integrate elements of the outdoors into the curriculum.

Detailed plans for the first stage of construction, which includes an Early Learning Centre with four Kindergarten classrooms, along with a separate facility containing Primary School facilities, are now finalised. Earthworks will commence late in 2023, before building throughout the entirety of 2024 - ready to welcome students for the first day of school in 2025. As the school develops, we will grow annually to reach Year 6. Students can then look forward to a guaranteed place at our Warragul Secondary School, one of Australia's leading regional schools.

To discover the difference a St Paul's education can make for your child, please contact Bonnie Lai on 5623 5833 or email enrolments@stpaulsags.vic.edu.au

Have questions?

Let us answer them for you, or feel free to contact us:

What does the new campus offer that is unique to Drouin?

The new campus will provide improved educational choice for parents who prioritise and value an outstanding learning environment.

Extending beyond excellent classroom teaching, St Paul's provides a regular opportunity for children to broaden their learning with specialist teachers in a range of areas including Japanese, Performing Arts (Music/Drama/Dance), Visual Arts, Sport and Library. In addition, students also participate in Christian Studies, Chapel and Assembly activities.

St Paul's encourages each and every student, supporting and celebrating the individual child in a strong partnership between students, parents and teachers. Through an extensive range of co-curricular, service and leadership opportunities we encourage our students to develop resilience and confidence as they establish strong foundations that prepare them to navigate the challenges of adolescence.

DROUIN CAMPUS:
Architect's impression

How can I get to school?

A combination of bus services, including existing PTV and local school networks, are available and will be adjusted to meet demand.

Are there any differences in fees or uniform?

No, fee levels and uniform will be identical across campuses.

Is Before and After School Care offered?

Yes, out of hours care during term times and a holiday program will be available.

How do you know which St Paul's campus is right for you?

Students will be generally be allocated places based on their residential address, however families may request an alternate campus. Upon graduating to secondary school, Drouin students will be transported daily to and from the Warragul Campus.

Where will my child attend secondary school?

Enrolment at St Paul's is continuous from commencement through to Year 12. Students will be guaranteed a place for secondary schooling at our Warragul Secondary School.

Will a secondary school be built in Drouin?

At this stage, no plans have been developed to extend the Drouin Campus beyond Year 6. If considered in the future, the existing 36-acre site would comfortably accommodate a secondary school.

What about siblings in year levels not offered at Drouin?

Older siblings of students enrolled at Drouin will receive priority of enrolment at the Warragul Junior School (until such a time that the relevant year level is offered at the Drouin Campus). They will also receive priority of enrolment at our Warragul Secondary School.

How do I enrol my child?

Please contact our Enrolment Officer, Bonnie Lai, by emailing enrolments@stpaulsags.vic.edu.au or phone 5623 5833 to discuss enrolment.
