

St Paul's
ANGELICAN GRAMMAR SCHOOL

Congratulations
Class of 2022!

Congratulations Class of 2022

Potential Pursued

The School is incredibly proud of the way our Class of 2022 transitioned back to a full year of learning. They applied themselves to their studies in a dedicated and enthusiastic manner and balanced this with involvement in a wide array of co-curricular pursuits. The Class of 2022 approached the year with maturity and good humour and actively pursued their potential to achieve remarkable results.

This year's cohort has a variety of plans for the immediate future from tertiary study in areas such as health and engineering, to starting apprenticeships, Australian Defence Force traineeships or entering the workforce.

We congratulate the Class of 2022 and wish them the very best for the future.

Cameron Herbert, Principal

Lifelong Learners

From tailored study planners to personalised career discussions, our most recent graduates benefited from a comprehensive support network of educators and mentors who assisted them as they worked toward graduation. Our Heads of Year, Heads of House, Chaplains and a range of staff guided and inspired each of them to aim high, working collaboratively with the students

to discover and achieve their personal potential.

Beyond the Classroom

Our Class of 2022 were encouraged to develop holistically through a range of opportunities embedded within a St Paul's education. Students delved into house activities, assemblies, mentor check-ins and chapel services marking special milestones in their final year of learning. They gave back in many ways, participating in service, leadership, co-curricular, sporting events, arts performances and house challenges, bringing their passion, enjoyment and unique contributions to our school.

Connection & Belonging

The Class of 2022 leave St Paul's having achieved at a very high level, along the way gaining a strong set of transferable and leadership skills that they take into their futures. Students embodied the school's values of wisdom, integrity, compassion and respect as they led their peers through the year, immersing themselves in the life of the school. From impromptu karaoke to a Year 12 picnic, students were provided with many occasions to socialise and celebrate significant moments.
