\*\* A proportion of fees collected by the school may be used to support the operation of the Early Learning Centres.

## Invoicing

Accounts are raised at the start of each school year as one annual invoice. This annual invoice will include tuition fee charges, bus fares, camps and any other applicable charges. The aim of invoicing fees at the start of the year is to enable families to make payments over the year in fortnightly or monthly instalments. In order to accommodate this, we encourage all families to participate in the School's direct debit arrangement.

## Outside of Hours School Care

Before School Care is available from 6:45 am to 8:45 am and After School Care is available from 3:00 pm to 6:00 pm through Club House Boot Camp. For more information visit [www.clubhousebootcamp.com.au](http://www.clubhousebootcamp.com.au)

## St Paul's Foundation

All families are encouraged to make additional voluntary donations, which are fully tax deductible, to the School Foundation. A suggested donation is included on each fee statement.

## Full Fee Payment Discount

A Full Fee Payment discount of \$350 is available for children in Prep to Year 12 (ELC excluded) if a child's annual fees and charges are paid in full by 17 February 2023. Please refer to your first fee statement each year for a projection of annual fees payable.

## Family Discounts

Family discounts apply to second and subsequent children attending St Paul's concurrently (excluding Pre-Kinder Early Learning Centre Enrolments): second child 5%; third child 15%; fourth child 20%; fifth child 100%.

## Enrolment Fees

The Enrolment Application Form fee and Enrolment Capital Contribution fee (payable on acceptance of Offer of Place) are non-refundable and non-transferable if the child does not enter the School on the requested start date. The Enrolment Capital Contribution is for the ongoing capital development program of the School and would be payable again if enrolment is not continuous.
